STUDENTS USE DRIVING SIMULATOR

On Monday, January 14, the sheriff's office school resource program, in conjunction with Western Christian High School, Sanford Health and Perspective Insurance both from Sheldon, IA, brought a driving simulator to Western Christian for the students' use. The simulator will be at Western Christian through January 23 and is provided free of charge by Sanford Health and Perspective Insurance.

The simulator shows students the dangers of distracted driving, which is primarily caused by drivers using cell phones. The simulator also shows the dangers of impaired driving. All the students at Western Christian High School will have the opportunity to use the simulator.
