HIGH SCHOOL LAW CLASS VISIT

On Monday, November 16 and Wednesday, November 18, two Law classes from Unity Christian High School toured the Sheriff's Office.

The classes were able to see the jail intake area, communications center, evidence intake, deputy squad room and other areas used by employees of the Sheriff's Office. The students saw some of the different inmate holding cells and the visitation area, which is used by family, clergy and attorneys while they are incarcerated.

The students annually benefit from the tour as part of their Law class curriculum. It allows them to see how the jail, communications center and sheriff's office works.
